Konu: Re: APPLICATION Details University of Bucharest - RO BUCURES09

Dear [.....],

Dear Colleague,

After careful verification, we've noticed that your student doesn't have the correct language certificate.

In my message sent to you on the 18th of October I gave you your student information about this certificate:

-An English or a French language certificate. The certificate can be issued by the home university or it can be an international certificate. In case of a certificate issued by the home university, the level of proficiency is compulsory. The OLS test results are also accepted. (At least B2 level of proficiency).

Please send us the language certificate by 7th of December, 13.00. If you do not send it by then, we will reject the application.

best regards,

Sos. Panduri, no. 90, room 406
